HPORS Member	HPORS	DB	HPOM	Contributing
MPORS Member	MPORS	DB	MPOM	Contributing

MPERA staff use the Pay Type to assist with determining member's service credit and membership service; limitations for working retirees and optional members; determining highest average compensation; the calculation of IRC limitations; and contribution requirements. A benefit to employers is that we will not need to request additional information from the employer at the time members retire. This is a required field.

Transaction Type	Code Value	Pay Type
Payroll	0001	Regular Pay
Payroll	0002	457
